#### MISSION OF PUZZLE PIECE RANCH- AUTISM SOUTHWEST KANSAS INC.

Like so many families we are now facing another challenge; transition from school to adulthood. Currently, very few employment opportunities exist for individuals with disabilities. We realized we cannot focus on disability, but rely on higher levels of determination. The products of our own aspirations; the character built from adversity can surmount any disability. We believe in possibilities and seizing opportunity. We are investing in the future with the Puzzle Piece Ranch. Our small working ranch produces Kansas grown products while employing young adults with disabilities. The Puzzle Piece Ranch includes our bakery, range free eggs, garden produce, orchard, miniature animal menagerie; horses, donkeys, cattle, Nubian and pygmy goats and Bengal and Manx cats. We are working with local community leaders, vocational rehabilitation, schools, our Community college and our area businesses to get our young adults into employment opportunities. The Puzzle Piece Ranch – Autism Southwest Kansas Inc., is a 501C3 non-profit organization that works within our community and area to assist in Autism Awareness and Education through conferences and parent support and advocacy.
